Private & Confidential to Optical Contractors, Performers and Dispensing Opticians

Hot Briefs contain guidance and advice from the Optical Confederation and LOCSU on important issues relevant to all ophthalmic contractors, performers and dispensing opticians, which we would like LOCs to be aware of or to take action on and to disseminate to all contractors, performers and dispensing opticians in their area as soon as possible.

Update from Department of Health & Social Care on Brexit

LOCs should be aware of a recent communication by DHSC on Brexit operational readiness guidance for the health and care system in England. This includes the EU Exit Operational Readiness Guidance which has been developed and agreed with NHS England and Improvement.
