COVID-19 Infection, Prevention and Control

Microsoft live event for Community Optical staff

Friday 19 June 11:15 – 12:45

In response to queries and concerns around Infection, Prevention and Control ahead of resuming GOS services, we have worked with our colleagues from the Infection Control team and our LOCs to bring you a Microsoft Live event to help support you with questions you may have around best practice.

To join the Microsoft live event on Friday 19 June at 11:15 please CLICK HERE

If you are planning to use a mobile device, please ensure you have installed the MS Teams app from the Apple/Google Play stores (account not required just the app)

Please do send any questions you may have in advance to our mailbox england.bgsw-optom@nhs.net alternatively questions can be submitted live on the day

The event will be recorded and be made available on Monday 22 June if you cannot make the planned time.
