## Bristol

3 Point CET event  
27th May, 7pm to 8.45pm

Newmedica Bristol would like to invite you to participate in our upcoming 3-point CET event. Covering the topic of, 'Challenging Glaucoma Cases'. At the event we will also be sharing details of our latest surgical centre now open in Frome.

This discussion workshop considers three glaucoma related cases which require critical thinking, clinical decision making and in the context of in a community practice setting. The discussion workshop will consider referral decisions, risk stratification and ways that community optometrists can support the wellbeing of people under the care of a secondary glaucoma service.

**To ensure we keep all our delegates and colleagues at the clinic safe, we have taken the decision to temporarily hold our CET events online, using Zoom. You can book your place and get further instructions on how to join by following the link below:**
